A BUL | AN | HAT

Hun a inher a, kum 2019 chu kan lo chuangkai leh ta reng mai a. Kum bul atangin mahni hna \heuhah hma thar lain bul kan \an \ha leh dawn chu a nih hi. Thingtlang lo nei mi chuan lo vah a\anga a bul a \an \hat chuan hlo thlawh thlengin a awl phah an ti \hin a. Kum bul a\anga bul \an \hat chuan kum tawp thlengin rah a chhuah \ha tih hi a dik khawp mai. Zirlaite pawh an bang bik lo ve. In satu pawhin a bul (foundation) a\anga a \an \hat chuan a sak zawh thlenga lawmna leh hlimna a ni \hin.

Office lama thawkte pawh hian kum bul a\anga kan hnate pending awm lova bul \ha taka kan \an chuan kum tluanin a rah sengtu kan ni ve nghal \hin. Kan rawngbawl sak mipuite leh ni tina min dawrtute tan hlei hlei malsawmna kan lo nih ve theihna kawng awm chhun a ni tih hre \heuh ang u.

A bik takin, keini Health Department-a thawkte pawhin thlasik anga khel lova hunbi neia mipui huapa kan hma lakna - heng thosi kah te, Leprosy Week (phar dona beihpui), Blindness Week (mitdelna dona beihpui) angah te pawh hian Zokhaw kilkhawr bera thawktute leh hmunpui lama mite pawh hian \anruauna \ha nena bul kan \an a pawimawh tak zet zet a ni.

A bul \an \hat chua chanve zo ang a ni. ■

METHAMPHETAMINE

Dr. Ruth Lalmuanpuii
Psychiatry Department, Kulikawn Hospital

Eng nge a nih: Methamphetamine hi Amphetamine-Type Stimulants an tih zinga damdawi pakhat a ni a, thluak leh a tha zam chhawk tho thei (psycho stimulants) a ni. Hman sual chuan damdawi hlauhawm tak, damdawi hmansual thin ho zinga hlauhawm leh ngawl vei awl ber pawla ngaih a ni a, nghei har ber pawla ngaih a ni bawk. Chuvangin tun tuma kan thuchah ber chu khawvel puma methamphetamine chungchang an au hla ber 'Not even once' - 'Vawi khat pawh ti chhin suh' tih hi a ni. He ruih hlo hi ice, speed, crystal, crank, party drug etc tih tein an sawi bawk. Mizoramah chuan meth tih hian a lar deuh ber awm e. Pseudo-ephedrine leh thil dang hlauhawm tak tak (a then hi chu awlsam taka hmuh mai theih anih avangin ziak lang lo mai ila) nen chawhpawlha siam chhuah a ni a, siam lai te pawhin a puak vak theiin a siamtute pawh an kan phah fo thin. An siamna khu leh a meth an lak chhuah hnua chuangbang (waste product) pawh hi a hip pha tan chuan a la hlauhawmin naupang phei chuan an thih phah fo a ni. A mum, a dip leh darthlalang anga fim (crystal) angin a awm thin. Mizorama lo lut hi chu a thlangpuiin a mum a ni a, a in ang lo nual a, a thenah chuan 'ky' (the world is yours- khawvel hi i ta a ni) tih inziak a awm thin.

Hmuh chhuah dan: ni a. Heti chung hian indopui pahnihna lai khan Japan sipai ten an tha tihchak nan an hmang nasa hle a. Indo zawh atang hi chuan an hmang sual zui nghal nasa hle a ni.
A hnathawh dan: Kan thluak hi hriatna thazam (nerve) tam tak inzawmkhawm a ni a.

Nerve pakhat hian a zawmpui nerve hnenah neurotransmitters kan tih hmangin chanchin a hrilh chhawng zel thin a ni. Heng neurotransmitters hi chi hrang hrang, hnathawh hrang hrang nei an ni. Nerve leh nerve inkarah hian khi/karawl tlem a awm a, synaptic cleft an ti a. Neurotransmitters-te hi helai khi-ah hian an lo chhuak thin a ni. Heng lo dawngsawng tu receptors kan tih te hi nerve hmawrah hian an awm teuh bawk a. Helai khi (synaptic cleft)-a neurotransmitters awm tur aia a tam emaw, a tlem lutuk emaw leh receptors ten an thawh tur anga an thawh theih loh hian taksaah harsatna leh buaina hrang hrang a lo awm thin a ni.

Methamphetamine hian kan thluak a neurotransmitters chi hrang hrang dopamine, serotonin, nor-adrenaline te a chawk tho ber a. Heng zingah pawh hian dopamine hmang hian a thawk nasa zual bik a ni. Dopamine hi nuam min tih tirtu, hlimna min petu, thil zir theihna, hriatreng

theihna, tha leh tha lo kan thliar hran theihna (judgement) etc leh kan taksa chet dan min thunun theih tirtu a ni. Meth hi taksaa a luh veleh thluakah a lut nghal a, dopamine siamtum hriatna (nerve) hi nasa taka chawk tho vin dopamine hi vawi leh khatah a lo sang ta em em thin a . An zir chianna pakhata sazu (rat)-a an enchhinah chuan zu/meizial te kan zuk hian dopamine hi a let 100-200 velin a sang a, cocaine ah hian a let 350 velin a sang a, meth-ah chuan a let 1250 velin a sang a ni. Hetia dopamine a san em avang hian meth hnathawh a lo zawh a, a nghawng leh hi a na em em a, tuar thei lovin tih leh vat vat an duh thin a ni. Tin, dopamine sang lutuk hian a lo dawngsawngtu receptors-te kha a tichhe tial tial a, an thawh tur ang an thawh theih loh avangin dopamine pawh thluakah a tlem tial tial a, chuvangin rei loteah meth hian a tira nuam a siam kha a siam thei tawh lova, a hma anga nuam duh khan an ti tam tial tial a, mahse a tira tluk thei tawh lo. A tawpah chuan nawmna awm tawh miah

lovin, ti lo thei bawk si lovin an awm thin. Chu mai bakah dopamine hnathawh kan tarlan takte pawh kha a ti chhe vek bawk. National Institute of Drug Addiction-a an Director, Dr Nora Volkow-in a zir chiannaah heng receptors-te hi thla 14 vel chhung chuan an lo thang tha leh thei a, mahse dopamine hnathawh lo chhe ta, taksa chet dan thunun theihna te, hriateng theihna te etc hi chu a tha thei tawh chuang lo a ni a ti.

Taksa a nghawng dan:
Taksa a nghawng dan hi kawng hnihil then tai la.

A tira a nghawng dan (immediate effect): Meth taksaa a luh vel leha a hnathawh dan hi a indawt in kawng hrang hrangin an then a. Chungte chu:

Rush - Lungphu a lo rang vak a, BP a sang a, marphu a lo rang a, kan taksa in kan thil ei te chaknaah a chan tir zung zung thin (metabolism) . Minute 30 vel a aw thin.

High - Hlimna, phurna, mahni inrintawkna, ber emaw intihna, tha tho em emna, mut chhuah

lohma, mipat hmeichhiatnaah pawh sanna, thil pakhata rilru pek ding tlat leh thil ngai tih nawn tih nawn te a awm thin. Hei hi a nuam lai ber chu a ni . Darkar 4-16 vel a aw thin.

Binge - A nawmna thlahlel hian a hnathawh a lo hniam deuh vel leh an ti leh nghal char char thin. Mahse an tih nawn apiangin a nawmna a tlem tial tial a, a tawpah chuan a nawmna an hre thei tawh lo thin. Ni 3-15 vel a aw thin.

Tweaking - A nawmna a bo a, mahse a damdawi tih leh chakna nasa lutuk an nei thin. An rilru a mumal lo tan a, an taksa chhungah rannung vak nuai nuai ang tein an hria a, an thak vak thei bawk. Mi hriat ve loh aw te an hria a, mi hmuh ve loh thil te an hmu a, thil ni miah lo ni tlata hriatna te an nei a, an buai hle thin. An rilru buai avang te leh an chhia leh tha hriatna a lo tlakhniam tawh avang tein hetih hun lai hian an hlauhawm hle a, mahni intihnat leh midang kuthlak mai te an awlsam em em a ni.

Crush - Taksain a tuar zo tawh lova, an let tawp tawh.

Thi ang maiin rei tak an mu bawrh bawrh thin . Ni 1 -3. vel a awh thin.

Hangover - Rilru leh taksa dinhmun chhe deuhin an lo harh chhuak leh a, an bal in an rimchhia a, an riltamin an chau ngawih ngawih a, an taksa a ro (dehydrated) a, an rilru an hmang tha thei lo thin a ni. Hetiang hian ni 2-14 vel an awm thei a, mahse a hream em avangin meth bawk an zawng leh thin.

Withdrawal - Hangover a zawh hian withdrawal a in\an dawn chauh a. Nun hlimlohma leh beidawnna nasa tak (depression) an nei thin. An chau a, engtih mah an phur lova, thih chakna leh mahni nunna lak duhna an nei lian hle thin. Hlauhthawnna leh manganna (anxiety) an nei nasa thin bawk. Depression leh anxiety te hi a nasain a daih rei thin bawk a, an tuar zawh loh chuan meth-ah bawk an lut leh thin.

A rei deuha nghawng dan (Long term effect):

Thluak - Thil hriatreng theihna te, zir thar theihna te, chhia leh

tha thliar hran theihna te, rilru leh taksa thunun/ insumtheihna te, hmalam hun dawn thiamma te etc a ti chhe thin. Rilru lam buaina a thlen nasa thei hle bawk.

Lung - Lung phu a tirang nasa a, a rei deuhah chuan lung a lo chak lovin a lo vung a, thisen a dawng tha lovin a pe chhuak tha thei lova, taksa peng dang a nghawngin, stroke te pawh an nei thei. A tawpah chuan lungphu chawlin an thi mai thin a ni.

Taksa chet dan - Taksa chet dan mak deuh deuh thunun theih miah loh te, taksa peng khawi lai emaw phu zuk zuk reng te, taksa khur leh khawng te, tawng that theih loh leh thil tih that theih loh te, kaih te a thlen thei.

Khawsik sang lutuk a thlen thei bawk.

Thisen zam - Thisen zam a ti zim a, hei hian taksa peng hrang hrang thisen dawn dan a ti danglamin nghawng tha lo tak tak a nei thei. Vun te a tiro a, a tichuar bawk a, hliamte a dam tha thei lova, arngeng leh vun harsatna hrang hrang a

siam thei. Hengte avang hian kum rei lo teah an hmel a tar bawih bawih thin a ni. Thil ngai tih neuh neuh an chin avangin, arngeng leh bawl te an sik an sik thin a, a dam har bawk si a, an hmel a tichhe zual thin a ni.

Rihna a tlahniam - Chaw ei tui lohna te, mut theih lohna te leh tihrawl a tihchhiat avang tein an chher tial tial thin.

Sam - Sam a ti thla nasain a kawl h vek thei.

Ha leh ka chhung - Thisen dawn that tawk loh avang tein ka chhung a ro em em thin a, ha thial an ching a, ei leh in mumal loh leh ha leh ka chhung enkawl that loh avang tein ha a getin a muat duh em em a, a bal duh hle bawk. Hna hni te a puamin a rimchhe duh hle bawk. Hei hi 'meth mouth' an ti thin.

HIV/STD - Mipat hmei-chhiatna lama an san avangin HIV leh mipat hmeichhiatna atanga kai theih natna an kai duh hle.

Overdose - Overdose hian lung, thluak, kal, tihrawl leh

chuap a khawih avangin rei loteah kaih leh nikhaw hre lovin an awm a, thih mai a awl khawp mai. Meth ti rei tawh te chu en mai hian hriat an awl hle a ni.

Enkawlna: A enkawlna damdawi tak hi a la awm lova, chuvangin taksa leh rilru lam harsatna an tawh pawhin an harsatna tawh a zira enkawl mai a ngai (symptomatic treatment). A thawh dan a nasat em avangin nghei har an ti em em a, chuvangin a tha ber chu rei deuh chhung enkawlna bik hmun a awm a, psychotherapy hrang hrang nena enkawl hi a ni (long term residential treatment). Khaw-thlang lama an hman lar ber chu 'matrix model' an ti a, thla 4 atanga thla 10 vel chhung a ngai thin a ni. Heng enkawl theihna te hi kan mamawh dawn hle a ni.

A pawimawh ber erawh chu a venhimna hi a ni. Awareness hi mi tam takin an sawiselin tihtur inkawhhmuhnai mai mai leh hre lo tur kan inhriattir an ti thin a. Dikna

chen pawh sawi thiam loh chuan a awm thei .Mahse awareness tel lo chuan inven ngaihna a awm lo. Psychiatry deparmentt-in ruihhlo tite kan zir chhianna kal mekah hian drugs an tih hmaa awareness an neih dan kan zawhnaa a tam zawk chuan a nawmna chauh an hria a ni. Chuvangin a nihna dik tak te, a hlauhawm zia te hi kan sawi tam a pawimawh a ni. Meth phei chu vawi khat tih pawh a pawi em em avangin vawi khat pawh ti chhin lo tura kan hrilh tam a pawimawh. Tin, inven ngaihna hrang hrang, entirnan, naupang zawkte chu doctor chawh loh leh chhungte pek loh chu a that zia sawi mah se, tuma hnen atanga eng

damdawi mah lak loh tur tih te sawi tam a pawimawh. Naupang leh tleirawlte hi nunphung tha (life skills) hrang hrang - harsatna sutkian dan tha te, thinrimna leh ngaihtuahna thunun dan tha te, a tul huna huisen taka 'ka duh lo' tih ngam dan te, thian kawm dan leh midangte nena nunho dan tha te etc kan zir tir fo a pawimawh em em a ni. Hei bakah hian Pathian tihna tak tak nei thei tura kan zirtir leh nu leh pate entawn tlaka kan awm hi a pawimawh hle bawk. Chuvangin mizo mipuite hian tan la ila, he ruih hlo hlauhawm tak do tur hian kan theihna chin theuhah kan theih ang tawk tawkin tan ila teuh ang u.

Hmangchang....

ZAWNG | AH DAH | HAT DAN

Tunlai hi zawng\ah tam vanglai a ni a, nakin lawkah chuan a rem leh mai dawn si a, chuvang chuan a awm loh hun atana dah\hat dan mawlmang tak si chu hetiang hi a ni.

Lei laikhuar la, chumi khuarah chuan changel hnah emaw, hnahnthial hnah emaw phah chhuak vek la, zawng\ah chu zuk dah la, zawng\ah hian lei a tawk miah tur a ni lo. Tichuan changel/hnahnthial hnah bawkin uluk takin khuh chhuak leh vek rawh.

PHUR OVER NATNA (BIPOLAR AFFECTIVE DISORDER)

Dr. Lalhriatpuia MD (Psychiatry)

Mizoten a kan hmelhriat hle tawh mahse natna anga kan ngai teh chiam loh a nih hmel. Bipolar tih hian natna zehnih nei, a lanchhuah dan pahnih awm thin a nih avangin hriathiam pawh a har ve deuh thin a. Depression leh depression letling chiah (mania kan tih) in a langchhuak thin. Bipolar tih chuan pole hnih nei a ni miau a, chuvang chuan Depression, a nguai, beidawng em em zawng leh a letling chiah Mania, a harhvang inngaihlu em em zawngin a in lan chhawk thin a ni.

Engtia tam Nge?

Zirna hrang hrang atanga a landanin mi za zel a 3 velin kan damchhung hian he natna hi nei tur anga chhut a ni.

A lanchhuah dan:

A hlim lam (Mania): Depression letling chiah kan tih angin an hlim em em a, an phur mai piah lamah an phul tel thin, an tha a tho em em bawk. An tawng ringin an tawng hnem em em a, an tawng tawp thei lo a ni ber. Sakhuana lamah pawh an kalna em em a, ahma a ngaihsak vak ngai lo pawn an ngaihsak thar that a, tam takin Pathian ang te hial in an inchal thin. Chumi piah lamah inchei dante a u chhuak nghal a, thil tul lo lei vak vak an

ching. Mut an mamawh tlem nghal a, zanah pawh darkar hnih chauh pawh mu mahse a tukah an harhvang em em tho. Idea chi hrang hrang dik lem lo an nei zut zut a, pawisa lam dehchhuahdan tur leh ram hmasawn thutna tur te, mi bik riau an nihna tifiah turte lampang a ni duh. Thil pakhat (topic) tui em em in sawi mahse awlsam takin thil thleng dangin an rilru a hruai sawn that that thin bawk. Thil hi hre dikberah an inngai tlat a, hnial hlekin an thirim hma em em bawk. Entir nan: Isua inti te pawh ward-ah kan kawl thin a, Vaiah pawh an sakhu Pathiana inchhal an tam hle. Obama thianpa inti te pawh ka lo admit tawh hial a ni. Chumai

piah lamah vawi khat bazara saree hak 5000 lei te pawh an awm.

A Hlim lo lam (Depression):
Rilru ngui, thiltih chak lo, peih lo ngawih ngawih, mahni inthiam lohna an ngah a, a beidawng zawngin a thawk bawk a, Depression pangngai nen a danglamna vak a awm lo.

Enkawl dan?

Bipolar natna tan hian in enkawlna damdawi tam taka

awm a, a lan chhuah dan azirin damdawi pawh hman thin a ni. Mania zawnga lan chhuak a nih chuan anti-psychotic leh mood stabilizer kantihtepk thin an ni a, Depression zawnga a lanchhuah pawn depression damdawi pangngai lo deuh pek thin an ni. Chhungte tan a buaithlak em em a, rilru natna dang angin in entir hma a pawimawh em em a, enkawl vat a nih chuan rei lo t>ah control vat theih a ni.

SAWHTHING

Puma thil thur tam lutuk: Sawhthing tui sawr 10ml-ah thinghmarcha leh Jeera rawtdip tlemte chawhpawlhin ei \ha.

Pum na: Sawhthing ro rawt dip gram nga leh chini gram nga chawhpawlha ei a \ha.

Ha na, tonsil na, aw chhang: Sawhthing hring ei a \ha.

Kawpuar : Sawhthing den-sawm, tuiin chhumna a chhumna tui in a \ha.

Ha na, mit \ha lo : Sawhthing densawm diaka ha na lai zawn vel biang pawn lamah leh mit ko velah bel tur.

Hritlang awm na, hnap tui: Sawhthing hring densawm, tuiin chhumna a tui in a \ha.

Hritlang: Sawhthing hring 60gms densawma tui litre khatin mei na vak lovah chhum tur. A chhumna tui 250ml a nih hunah thlit chhuaha thinghmarcha tlemte nen chawhpawlhin ni khatah vawi thum 60ml zelin in tur.

CHHIAR MAWLH TEH

H. Thankima

Kan fate hi Pathian laka kan Ro chan, kan thil neih hlu berte an ni a. An taksa, rilru leh thlarau enkawla siam puitlin hi kan mawhphurhna, kan kova innghat tlat a ni tih hi i hre nawn \heuh ang u. **NATIONAL TOBACCO CONTROL PROGRAMME,
MIZORAM KUM 2017 - 18 CHHUNGA KAN DINHMUN
TLANGPUI**

Dr. Jane R. Ralte,
State Nodal Officer,
National Tobacco Control Programme, Mizoram

Introduction: Vaihlo zuk leh hmuam hman kawngah hian Mizote hi Global Adult Tobacco Survey (GATS) 2009 - 10 a neih in zirchianna a neih atanga a tarlan dan chuan 67.2% laiin vaihlo hi an hmang mek a ni. Vaihlo hman hi Mizote hian kan intihhmuh nasa in kan nun a bet tlat anga ngai te pawh an awm hial a ni, hemi a nih avang hian kan hriselna kawngah pawh kan tuar nasa hle mai a, a bik takin India ram chhungah pawh Cancer vei tam lamah kan sang hle a ni. Mihring hriselna a tan a tha lo tih sawrkar hotute pawhin lo hre chho zelin kum 2009 atang khan sawrkar hmalaknain tih tak zet a vaihlo dona kawngah hian hmalak chhoh a ni a, Mizoram chhunga district hrang hrangah te awareness programme pawh school leh kohhran hrang bakah NGO hrang hrangte nen neih chhoh a ni ta a, vaihlo that loh chungchange inzirtirna hi nei tam ve hle tawh mahila GATS 2009 - 10 atanga GATS 2 2016-17 chhunga neih hian hmasawnna chu awm ve viau mahse hmalakna tur tam tak a la awm tih a hriat theih awm e.

Global Adult Tobacco Survey - 2 (2016-17): GATS - 2 hi Mizoramah December 2016 atanga January 2017 chhung khan hmun thlan bik khaw hrang hrangah neih leh a ni a, he survey chhung hian mi hrang hrang 1566 te chu zawhna hrang hrang an zawt a ni. GATS - 2-ah hian vaihlo hmang mek hi 58.7% kan ni a, GATS - 1-ah hian 67.2% vaihlo hmang mek awm in tlemin hmasawnna kan hmu a ni, India rama vaihlo hman tam lam a No. 1 ni thin kha kan

thenawm State Tripura in min rawn lehpeil in No.2-naah kan tla thla ta hi a lawmawm hle a ni. GATS - 1 aiin GATS - 2 ah hian hmasawnna hrang hrang awm in, meizuk tam lamah te, vaihlo hmuam/ei chi hman tam lamah te, a kawp a hmang thin tam lamah kan tlahniam zel hi a lawmawm tak zet a hemi bakah vaihlo bansan tum an lo tam ta zawk te hi thil lawmawm tak a ni. Amaherawhchu, theihtawp chhuah a sawrkar pisa te leh puipunna hmunah meizuk khap chungchangah hmalakna a nasa hle chungin GATS-1 aiin tlahniam mahila kan tlakhniamna a la tam lo erawh hmalak nasat a la ngaih zia a hriat theih a ni.

A chunga kan tarlan ah te khian hmasawnna lawmawm tak tak awm mahse heng kan hnathawhna hmun (sawrkar pisa) te, restaurant te, sawrkar building leh in lamah te secondhand smoke dawng an la tam lutuk erawh hi chu tan kan lak tlan leh deuh chu a la ngai hle a ni. Secondhand smoke avanga kan thawhpuit leh kan chenpuiten harsatna/

hrisellohna an lo neih phah thei a ni tih hi kan hriat tlan a zawm kan tum hram hram a hun tawh tak zet a ni.

Major Achievement (Hlawhtlinna) thenkhatte:

Tobacco Control Team: General Administration Department, Government of Mizoram chuan 21st April 2017 khan Notification ti chhuakin sawrkar hnathawhna hmun hrang hrangah te meizuk khap tlat a nih thu leh dan bawhchhiate chu pawisa chawitir a hrem bakah, No Smoking Signage leh Complaint Board te tar vek a, Tobacco Control Team te din vek turin thu a chhuah a ni.

Project HIMNA-MADAT (Mizoram Against Drugs Alcohol and Tobacco): He project in a tum ber chu Upper Primary School te zuk leh hmuam leh ruihlo hrang hrang lak atanga engtin nge kan venhim theih ang tih chungchanga hmalakna tur a tan a Deputy Commissioner kaihruaina hnuiah he Project hi siam chhuah a ni.

Public Transportation a tan a sticker siam: State Transport Authority ten an remtihna leh tha an tih angin Public Transportation (mipui phur chi) hrang hranga tar turin Traffic Control Room leh "No Smoking" tih tarlanna chu Director General of Police in 18th July 2017 khan district hrang hrang a hman theih turin a Release a ni.

Dan lova Cigarette lo lut (Contraband Cigarette) a hmalakna: Dan lova khawchhak (Myanmar) lam atanga Cigarette lo lutah hian vaihlo khapna dan (COTPA) in a phut ang tarlan a ni lo va, hemi piah lamah pawh hian Legal Metrology Package Commodities Act an bawchhiat bawk avangin Department dangte nen a thawkho in hmalakna neih a ni. Legal Metrology chuan "**Order**" 27th July 2017 khan ti chhuakin district hrang hranga Legal Metrology Inspector te chu dan lova cigarette rawn lut te chu lo enfiah a lo check zing turin thu a chhuah bawk a ni.

No Tobacco Rally: 19th September 2017 khan "**No Tobacco Rally**" chu State Sports Council hnuia Sports Discipline hrang hrangte nen neih ni a, he Rally-ah hian Sports Discipline hrang hrangte an rawn thawk chhuak tha hle a, he rally hi Corporate Social Responsibility for Microfinance and Livelihood te Sponsored a neih a ni.

Tobacco Cessation Clinics: Tobacco Cessation Clinic chu State Referral Hospital a awm turin 26th September 2017 khan hawn thar a ni a, hemi hma hian Tobacco Cessation Clinic hi District Hospital hrang hrangah 9 lai a lo awm tawh bawk a ni, TCC hi a pawimawh in vaihlo sim duhten an pan nasa in a tangkai hle a ni.

A chunga kan tarlan bakah hian hlawhtlinna lawmawm tam tak a awm in tarlan vek sen a ni lova a langsar zual kan han tarlang chauh a ni. Kan hmalakna thin ah te min lo tanpui a min lo phur pui thin tute zawng zawng chungah pawh kan lawm hle a ni.

Tobacco Free Village: Tobacco Free Village kan tih chuan vahlo khuahkhirhna dan (COTPA) zawm kim thei khua sawina a ni. Hemi nei thei tur hian MLA hrang hrangten Model Village an thlan hrang hrangte hnenah ngenna siam a ni. Tobacco Free Village hmasa ber hi Thingsul Tlangnuam niin 24th May 2013 khan puan an ni. Tunah hian Tobacco Free Village pahnihna chu Ruantlang khua niin December 2017 khan puan an ni bawk. Tobacco Free Village tur hian hmalakna kal mek a awm nual bawk.

Health Care Providers te hnen a ngenna: Vaihlo dona kawngah hian Health Care Providers te hi kan pawimawh tlangin kan awmna hmun theuhah vahlo dona kawngah hma kan la thei a ni tih hriat hi a pawimawh takzet a, entir nan- kan CHC emaw, PHC emaw, Sub Centre-ah te meizuk khap a nih thu kan tar leh meizuk kan lo khap te hian mi tam tak zirtirna in lo pe thei a ni. Hemi bakah hian vahlo hmang nasa deuh te vahlo that

loh thu lo hrialh emaw District Hospital hrang hrangah vahlo bansan duh te tan tanpuina clinic a awm a ni tih kan client te lo hrilh hi kan mawhphurhna a ni tih hriat te hi a pawimawh hle a ni. A chunga kan sawi hrang hrangte khi min lo zawm sak a kan hmalakna te min lo thlawp a vahlo hmang kan lo tlem zel theih nan a in tha leh remhriatna te min lo chhuahpui turin kan in ngen tak zet a ni.

Tlangkawmna: GATS neih atanga lang chiang tak mai chu Mizote hian vahlo hi kan lo hmang nasa hle a ni tih a hriat theih a, hemi avang hian hrisel lohna hrang hrang pawh hi vahlo kaihhnawih a tam hle a rinawm bawk a ni. GATS - 2 ah hian hmasawnna tam tak hmu mahila hmalak nasat ala ngaih zia a lang chiang hle a ni. Entirnan, meizuk phal lohna hmun Public Transport (Mipui phur chi motor) ah hian meizu thin an la tam hle a ni tih a hriat theih a, Public Transport atanga Secondhand Smoke hip hi 8.6% lai an la awm a ni. Mipuiten an hriat tur pawimawh tak pakhat chu

meizu thin kan nih pawhin midang tibuai lo zawng a kan zuk a inthiarfihlim thiam te leh kan chenna in te "Smoke Free Home" a siam thei turin hmalak tum theuh ila kan chenpuite pawhin an lo hrisel phah zawk ngei a rinawm tlat a ni. A tawp ber ah chuan Department hrang hrang leh kan Working Partners bakah mipuiten kan hmalakna hrang hrangte min lo

ngaih pawimawh sak thin avang hian lawmthu kan sawi tak zet zet a, kan kal leh zelna turah pawh theihtawp chhuah a min lo tanpui a min lo tawiawm zel turin kan sawm in kan ngen tak meuh meuh che u a ni. Kan tu leh fate leh kan thlah lo la awm zel turte an lo hrisel a an lo changkan zel theih vaihlo hi kan theihna zawn theuh ah i do tlang zel ang u.

BP Sang tana ei loh tur:

- ◆ Chi, sodium tamna eg. Chips, papawr, pickle, preserved foods, bakery items, cold drinks (Cocacola, Sprite, Fanta etc.)
- ◆ Bawngsa, vawksa thau, va kawchhung, artui chhung mu
- ◆ tel (Oil) khang thei chi eg. Butter, dalda, ghee, vanaspati leh thil kan mawm lutuk.
- ◆ Bai (Soda telh) leh saum.
- ◆ Ajinomoto (Monosodium glutamate, baking powder, sodium bicarbonate)
- ◆ Sadah, meizial, kuhva leh chinai al.

BP Sang ei atana tha te:

- ◆ Thlai hnah hring leh thlai rah
- ◆ Thei eg. Balhla, Avocado(Butter fruit) Sunhlu, dawnfawh, pomegranate, Limbu etc.
- ◆ Sangha, Arsa(A vun tel lo in)
- ◆ Lei hnuia to chi eg, Alu, Pangbal etc.
- ◆ Skimmed milk (Bawngnute a khar tello in.)
- ◆ Be lampang eg Dal, Chana, Soybean

GOUT - (Mipa ruhseh)

- Dr. Thangchungnnunga, MS (Ortho)

Gout hi Mizo \awngin kan nei chiah lo va, chuvangin Gout tiin kan sawi zel mai a ni ang chu. HMANGCHANG TOOTHPASTE HMANG TANGKAI RAWH LE

1) Toothpaste:

Kut tihtianghlim nan.... i kuta natna hrik awm kha tihbo i duh em? Toothpaste chu tlem han hmet chhuak la, tui nen pawlh la, i kutah khan han nuai rawh le... Natna hrik lak a\angin a tifai mai a ni lo va, i kuta purun sen leh sawhthing rim nam pawh a that bawk ang.

2) Piono tih fai nan a \ha.... I piono, i hmeh bal khak tlur tawh chu i ha i brush ang chiah khan han brush la, chumi hnuah puan themin hrufai leh la, a var sur mai ang.

3) I banga perek phawina kua khan i bang a tilang mawi lo va, tihdan i hre mai si lo. Tihian ti rawh, a kuaah khan toothpaste chu hmet lut la, a ro hunah rawng han hnawih la, a lang mawi sawt mai ang.

4) Kawr bal tifaitu tha tak a ni. Pentui (ink), lipstick, leh ketchup ho hi a bal nghet zek a. A kainaah khan toothpaste

chu han hnawih la, uluk takin han nuai la, han tleuh leh la, a lo fai mai ang. Chutiang chiah chuan carpet a kai pawh ti thin ang che.

5) Arngeng tana damdawi \ha tak a ni. I arngeng kha a dam nghal vat i duh em? Awl lutuk, i arngengah khan zanah toothpaste tat la, chiah la, zingah phihfai leh ang che. Zing a nih meuh chuan a lo bo daih mai ang. Toothpaste hian arngeng a oil awm kha a hip a, a tithep bawk a ni. I rilru a i vawn reng tur chu hetiang thil hi karkhatah vawikhat aia tam tih miah loh tur, a chhan chu i vun kha a tiro viau thei a ni. Tin, i vunah khan test hmasa \hin bawk ang che, a chhan chu i lo ngeih vak lo thei a ni.

6) I Compact Disc (CD) kha a rang ve deuh a nih chuan toothpaste han hnawih la, puan thianghlimin hrufai leh ang che....a zia sawt mai ang.

7) I gold emaw diamond kha dawrah a tifai tura ken a ngai

kher lo, toothpaste kha han hnawi la, brush in han nawt la, chumi zawahh tuiin han tleuh la, a thar tle sur mai ang, chutiang chiah chuan silver ho pawh a tihfai theih a ni. Siai ang deuhin toothpaste hi a hman theih bawk. I savun pheikhawk a rang deuh tawh chu a ranna laiah tlem han hnawih la, pawn chhe themin han chul mam la, chumi hnuah pawnchhe hn^wngin i hrufai dawn nia. I pheikhawk chu a thar ang mai a lo ni ang. Sneeker leh rubber pheikhawka a rubber lai tifaitu atan pawh a \ha.

9) I bangna naupangin colour an thai ran chu a tih ngaihna i hre lo a ni mai thei... A ranna lai kha toothpaste han tat la, puanchhe huhin han nawt teh le.

10) Naute hnute hnekna bur tihthianghlima tih rimtui nan toothpaste hi a \ha hle bawk. Regular taka hman a nih chuan hnute bur hi a rimtui lo hle \hin a. Uluk takin han brush la, tui thianghlim i thuahfai leh dawn nia. A rim a fresh chak mai ang.

11) Ei rawngbawlute hian an kut vel bawr hi an tikang fo va, i kut i tikang palh leh a nih

chuan a kanna laiah khan toothpaste hnawih ang che. Toothpaste a bawlhlo awm zingah eucalyptus awm hian kang kha a tidai dawn a ni. Rannungina seh che a nih chuan a sehna laiah hnawih la, a zia duh khawp mai. Heng thosi, uihli leh fangmirah te hian a \ha zual bik.

12) Kuttin tihfai nan a \ha khawp mai. Ha leh kut tin hi a insiam dan kalhmang a inang chiah a, i ha i tihfai ang chiah khan han nawt ve la, mi dang i pana sum i sen tur kha i save a ni mai.

13) Glass paw riaiah teah te hian tlem han tat la, puan hn^wngin han hru la a fai kuar mai ang.

14) I roomah Poster tar i duh a, a charna tur i nei si lo va, chutah chuan toothpaste kha han hmang chhin teh. | ha ve tak a ni.

15) Thingpui leh tui avanga i furniture \ial rek ruk kha toothpaste tlem han tat la, puan chhe hn^wng thianghlimin han hru fai teh. Rei lo teah a reh mai ang. ■

TAKSAA THIL LUT

Vuna thil lut: Vunah hian thil t> tak tak (thing ther, darthlalang keh, hling) te a lut ve fo va, a chang chuan thi tlem t> a awm ve thei a, a thi miah lo thei bawk, thil lut chu a tet a, a lawr bawk chuan lak chhuah mai theih a, a thuk viau chuan lak chhuah tum mai loh tur a ni. Heng thil themte hi a tlangpuuin a balin natna hrik a awm duh bawk.

Thing ther/thil keh them : Heng thing ther leh thil keh themte hi taksah a lut fova, tam tak chu hmul pawhna hmang te pawhin a phawi mai theih a, thil lut chu a th<k a, a ngheh viau chuan lak chhuah tum loh a \ha.

First aid/ enkawlna hmasa

- 1) A hmuamhma chu tui lum leh sahbawna sil a \ha.
- 2) Kan phawina tur hmanrua (e.g. hmulpawhna) chu meia hliau thianghlim tur.
- 3) A luhna hnaih thei ang bera vuan chungin, a luhdan zawng zul zuuin pawh chhuah tur.
- 4) Lak chhuah hnuah thi tlem sawr chhuah a, silfaia tuam leh tur.

Mita thil lut

Thil nawi t> t>, vaivut leh thil themte hi mitah a lut fova, hengte hi a tlangpuuin mit vun chhung lam (eyelids) emaw mitmuah emaw a awm \hin.

A lan chhuah dan

- * A nuam lo em em a.
- * A nain a thip thei a.
- * Mittui a tlain a men theih loh thin.

First aid/enkawlna hmasa

- 1) Bawlhlawh chu a pawn-langa awm chauh lak chhuah tur a ni a, a bet nghet leh a t^ng a awm chuan mi thiam bik lo chuan lak chhuah tum loh tur, chhiatna leh mitdelna hial a thlen thei.
- 2) Kut silfai phawt tur.
- 3) Puan them fai emaw, romawl fai emaw a ki tih tet a, tih huh hmangin a lak chhuah theih.
- 4) Mitah bawlhhlawh chu a t^ng tlat a nih chuan maimit-chhintir a, puan fai chhal tuam hnan a, damdawi inah kaltir tur.
- 5) Mit hnuai lam chhung lama a kam tlat a hmuh theih si loh

- chuan mit vun lip hiar a chhuak ve mai thei bawk.
- 6) Heng kan hnu pawha a la reh loh va, damdawi in pan a rem loh bawk si chuan damlo chu eng taka \huttir a, a hnung lama din a, tui thianghlim emaw normal saline-in zawitea a mit chu leih a tha.
 - 7) Tih loh tur te :-

- * Nasa taka mit nuai loh tur.
- * Kut bala khawih loh tur.
- * Thil hriam leh zum hmanga lakchhuah tum loh tur.
- * Mita thil a beh/tan tlat chuan lak chhuah tum loh tur.

Benga thil lut

Benga thil lut hi nau-pangin an nei duh deuh a, thil sak tak tak be mu te, kawrkilh te hi bengah an lo thun mai \hin a. Heng be mu ang te hian hnawng a hip a, beng chhungah a lo lian a, beng a hnawh mai theih bakah lakchhuah a har \hin. Tho, thosi, fanghmir leh khumfa te pawh hi an lut duh hle.

First aid/enkawlna hmasa

- 1) Benga thil la chhuak tur hian pin emaw, thirzai emaw hman loh tur a ni a, heng kan hman hian bengdar tihpawlh palh a hlauhawm hle.

2) Rannung lut a nih chuan olive oil/baby oil or vegetable oil tlem thlawr emaw soda bicarb tui luma pawlh tlem thlawr tur a ni. Tichuan rannung chu a lo thi ang a, la chhuak turin mi thiamte pan tur.

- 3) A chunga mi hi a remchang lo a nih chuan hmehen (torch light) in en ila, a lo vak chhuak ve mai bawk.

Benga tui lut

Benga tui lut hian beng a ti ngawng muihin nuam lo taka a siam theih bakah na leh bengkherh a thlen thei.

A tihchhuah dan

1. Thlek tur

- * A hmasa berah beng pawn kha dim taka hruk fai tur a ni a, tui luhna lam kha a hnuai lama dahin thlek tur a ni. Beng til/parh chu dim taka pawh thlaka hma zawng leh hnung zawng te a pawh chetin tui a chhuak thei.

- * Tui luhna lam kha a hnuai lama daha thle chunga zuan vel tur, tichuan, tui chu a lo chhuak mai ang.

- * Beng hnuai lama daha mut saisirin a chhuak thei bawk.

* Ham leh thil \hial vel hian bek ruh te a tichein a timar a, bengkua a tingil bawka, a chhuak thei bawk.

2. Chhem ro tur - Sam tihrona hmangin a chhem theih a, a hniam berin emaw, a sa lo chia chhemna ringawt emaw hman tur. Beng kaw lang zawnga pawh tur a ni a, khap khat aia hla a\ang tala chhem tur a ni. Tichuan, tui chu tui lo changin a lo chhuak mai ang.

3. Thil thlawr tur - Alcohol leh Vinegar - Rubbing alcohol/ Surgical spirit leh vinegar a inzat chiaha pawlha far hnih thlawrin a chhuah theih bakah beng kherh a siam tur a veng.

4. Tui al thlawr - Tui no khatah chi fian khat hmun lia thena hmun khat (?) chawh-pawlh tlem te thunin a tihchhuah bakah bengek pawh a tichhuak thei a, a kherh tur a veng thei bawk.

5. Tui thun belh - Tui luhna lam kha a chung lama daha thlek tur, tui tlem thun belh a rang tak a thlek let leh in tui kha a vaiin a chhuak thei.

6. Beng hawlh faina (cotton bud) hmangin emaw, chutianga

lapua tlem zem behin emaw, dim tein beng kua chu hawlh ila, tui a hip kang thei.

Hnara thil lut

Naupangte hian an hnarah thil mute leh thil dang hi an lo thun fo \hin a, puitlingah pawh tihpalh thilin a lo lut palh thei.

First aid/enkawlhha hmasa

1) Kaa thawktir tur a ni a, hnar leh lam hmeh pina zawi deuha hnit chhuah tir tum tur, nasa taka hnit leh tihawn fo loh tur.

2) Olive hriak emaw, hriak dang pawh thlawr lut ila, a chhuak ve maihei a, a chhuak loh pawhin a za a tiziaawm.

3) Hriak hmanga kan tihchhuah theih loh chuan damdawi in pan a him.

4) Tih loh turte -

* Khawiah nge a tan tih hriat tumin bakkilh, pin, cotton bud leh hmanraw dang hmanga zawn vel loh tur.

* A chhung rila mi lak chhuah tuma, hmul pawhna hmanga cheh tum loh tur, a lut thuk duh.

* Hmuu phak loha mi lak chhuah tum loh tur. ■
