SUSPENSION ORDER

In exercise of the powers conferred under Section 32 of the Food Safety and Standards Act, 2006, read with Regulation 2.1.8(1) of the Food Safety and Standards (Licensing and Registration of Food Business) Regulations, 2011, and after having afforded the Food Business Operator a reasonable opportunity of being heard,

I, Lalrinkimi Pachuau, Designated Officer/Licensing Authority, hereby order as follows:

1. **Suspension of License No.21822101000233** issued in favour of **M/s David Malsawmsanga /Eimi Foods Dhaba** situated at **Aizawl** is hereby suspended for thirty(30) days with immediate effect.
2. **Cessation of Food Business:** During the period of suspension, the Food Business Operator shall not carry on the business activities covered by the suspended license at the aforesaid premises
3. **Compliance with Improvement Notice:** During the Follow-up inspection to the **Improvement Notice** served to the Food Business Operator, **letter No. B.11014/18//2015-DHS/FOOD SAFETY Dated 7th July, 2026** the unit achieved an Overall Compliance Score of only 11% placing it in the " Non-Compliance" category. Hence, the FBO is hereby directed to rectify all deficiencies/defects/omissions specified in the Improvement notice and Hygiene Rating Audit notes.
4. **Further inspection:** In accordance with Regulation 2.1.8(2), the concerned Food Safety Officer is hereby directed to conduct a further inspection of the food business premises after a reasonable period, which shall not be less than 14 days from the date of this suspension order, for the purpose of verifying whether the deficiencies and non-compliances have been rectified. The Food Business Operator is hereby informed that, upon review of the subsequent.

inspection report, it is found that the conditions of the Improvement Notice have not been complied with, further action, including cancellation of the Food License, may be taken in accordance with law after following the prescribed procedure. Regulation 2.1.8(3) specifically provides for cancellation in such circumstances after an opportunity to show cause.

5. **Public Health:** This order is issued having regard to the statutory obligation to ensure compliance with food safety requirements and to protect public health.
