## ROTAVIRUS VACCINE CHUNGCHANG

Dr. Lalzawmi, State Immunisation Officer,  
Directorate of Health Services

otavirus hi natna hrik hlauhawm tak niin luak leh kawthalo nep deuh atanga nasa deuh, abikin naupang kum 5 hnuai lama thlen tir theitu leh enkawl vat loh chuan dehydration, electrolyte imbalance, shock leh thihna hial thlen theitu an ni.

- Indian Rotavirus Strain Surveillance Network (IRSSN) in a report ang chuan
  - Naupang kawthalo vei vanga admit 40% te hi RVV vang a ni.
  - 32.7 lakhs OPD a inentir
  - 8.72 lakhs hospitalized
  - Kumtin mi 78,000 thihna chhan a ni.
  - RVV natna vanga thihna 50% chu naupang kum 1 hnuai lam an ni.
  - 75% thihna hi kum 2 hnuailam an ni.
- Rotavirus te hi inkai-chhawn awlsam tak mai a ni a, RV vanga kawthalo vei te hian a hrik hi tam tak an e chhuakin an luakchhuak a, mihring leh mihringah (faeco-oral route) direct in a inkai theih a ni.
- Ram rethei a naupang ten an vei hma bik (thla 6-9 inkar)a, Ram changkangah kum 2-5 vel inkarah an vei ber a, khawvel pum huap hian naupang kum 2 hnuailam (65-80%) ten an vei tlangpui a ni.
- Developed leh Developing countries-ah he natna hluar dan hi a in ang deuh reng a, amaherawhchu ram la changkang tawk lo leh rethei, ei leh in tha tawk lo leh health facilities access nei tha lo ramah harsatna/thihna a thleng tam bik.
- Studies in a tihsan danah chuan RV vanga kawthalo hi thlasik laiin a tam bik niin a lang.
- Rotavirus kawthalo Diagnose-na chu - Reverse Transcription polymerase chain reaction (RT-PCR for Lab confirmation, serotyping

## 4

and further differentiation) bakah ELISA leh Latex-based test te pawh hman a ni.

- Mizoramah hian Rotavirus kawthalohi naupang kum1 hnuai lam, thla 3-9 ten an vei tam ber a, thlasik laiin a hluar bik.
- A enkawl dan bik a awm lo va, kawthalohi dang anga ORS leh Zinc a enkawl a ni mai a, nasa deuh chu hospital a enkawl in IV fluids te pek an ngai a ni.
- Rotavirus diarrhoea hi vawi 1 vei tawh pawhin a vei nawn leh theih tho a, vawi 1 vei tawh chuan a vei nawn leh chuan a hma angin a nasa tawh lo. A ven dan awmchhun chu Rotavirus vaccine naupan laia pek hi a ni. Mihring leh mihring inkhawih leh insik atanga inkai theih a nih avang hian Sanitation leh Hygiene lam ringawt hian a veng lo a ni.

### A natna lo lanchhuah dan tlangpui

- A lo lanchhuah hun chhung (Incubation period) - 1-3 days

- Luak leh kawthalohi an nei thut.
- Ni 2 na vel atang a 1/3<sup>rd</sup> vel chu an khuati a sik bawk thin.
- An luak or ek nasat luttuk chuan IV fluids pek/ hospitalized an ngai.
- Antibiotics pekin awmzia a nei lo.
- Enkawl that chuan ni 3-7 velah an dam ve leh mai.

A chunga kan han sawi ang hian Rotavirus hi naupang nunna tam tak suattu a nih avangin WHO chuan khawvel ram hrang hrang ten mahni awmna ram theuh Immunization Programme-ah RVV pe turin recommendation an siam ta a, Ram 96 in he Vaccine hi kan pe tawh a ni.

### INDIA ramah chuan

- **National Technical Advisory Group on Immunization (NTAGI)** chuan phase-wise a RVV introduce an rawt ta a

- **Mission Steering Group (MSG)** in an lo recommend veleh a.

- **Expert Group** in State hrang hrang a pek dan tur indawt a relin, technical tak a fimkhur leh tha tur an duang vek a, training dan tur leh IEC mamawh tur zawng zawngte an duanchhuah vek hnuah MARCH 2016 khan India ram chuan mahni Ram siam ngei Rotavirus vaccine chu Asia rama a hmasa ber niturin kan lo pe tan ta a ni.
- 6 weeks - OPV-1, Penta-1, RVV-1, fIPV-1.
- 10 weeks - OPV-2, Penta-2, RVV-2
- 14 weeks -OPV-3, Penta-3, RVV-3, fIPV-2
- 9-12 months - MR-1, Vit A-1

#### **For Complete Immunization**

- 16-24 months - MR-2, OPV-B, DPT-B1, Vit A-2 (Vit A hi thla 6 dan zelah pe in kum 5 an tlin thleng a vaiin doses 9 pek tur a ni.)
- 5-6 years - DPT-B2
- 10 years - Td
- 16 years - Td

(JE and PCV te Mizoramah kan la pe ve lo)

Rotavirus Vaccine introduce tan tirh lai hi chuan naupang OPV-1 leh Penta-1 lak hmabak naupang(due beneficiaries) ho chauh kha RVV-1 kan pe ang, 2<sup>nd</sup> and 3<sup>rd</sup> dose chu Immunization

schedule angin kan pe chhunzawm ang. RVV hi naupang kum 1 hnuai lam chauh pek tur a ni a, amaherawhchu naupangin

**Institutional deliveries :-**  
BGG at birth (within 1 month)

OPV-0 dose (pian atanga ni 15 chhungin)

Hep B birth dose (pian atanga darkar 24 chhungin)

**Primary Vaccination for Full Immunization**

RVV-1 kha kum 1 a tlin hmaa alak hman chuan 2<sup>nd</sup> and 3<sup>rd</sup> dose chu kum 1 pel tawh mahse kar 4 danah a la zo tho tur a ni.

Naupang OPV/Penta 2<sup>nd</sup> or 3<sup>rd</sup> dose la tur lo kal chu RVV-1 pek ve loh tur a ni a, vaccine dang a kum a zira a lak tur kha pek chauh tur a ni.

#### **RVV pek theihloh/pek hrihloh turte (CONTRA INDICATIONS)**

- Thil ei/in/chiu/khawih emaw vang a huat nei tih hriat sa(Known allergic reactions)
- h/o Ril-inbilh (documented intussusceptions) or pum/rilzai tawh emaw (abdominal surgeries) piantirh atanga Ril insiam dik lo/fuh lo(intestinal malformation.)
- Known case of Immuno deficiency.
- Damlo NASA deuh an awm chuan a zualpui a nep deuh hma chuan RVV hi pek hrih loh tur. Hritlang khawsik ser ser narante

erawh chu a pek theih vek a ni.

## ZORAM MEDICAL COLLEGE DIN CHAM LAWMA NI

Zoram Medical College (ZMC) din champha lawmna, Foundation Day vawi khatna chu Chief Minister Pu Zoramthanga ho a lawm a ni. Chief Minister chuan cheng vbc 1.6 senga sak Para-clinical building a hawng nghal a ni. ZMC Foundation Day lawmnaah hian Health Minister Dr. R. Lalthankiana chu khualzahawm niin, Health & Family Welfare Board Vice-Cairman Dr. Z.R Thiamsanga leh Aizawl South-III MLA Dr. F. Lalnunmawia te pawhin he hun hi an telpui a ni.

Chief Minister chuan Medical College puitling siam tura a bulthut atanga hmalakna hrang hrang lo awm tawhte sawiin, vawiinah a din cham vawi khatna lawm a ni ta chu ropui a tih thu a sawi a. Kumkhat chhung chauhin zirlai leh thawkute atangin hmasawnna hrang hrang hmuh tur a awm chu lawmawm a ti a. Chief Minister chuan Medical College din chu thil awl ai lo tak ni mahse mipuiin an mamawh avangin vawiin hi thleng ta kan ni tiin, sum mamawh pawh tam mahse sawrkar chuan ngaipawimawh in a theih chinah a pek zel thin thu a sawi a. Tunah pawh a tihchangtlun hna thawh tur tam tak awmin, medical college tha leh changtlung

zawk a nih chhoh zel theih nan sawrkarin theihtawp a chhuah zel tur thu a sawi.

Lawmna inkhawm hi Health & Family Welfare Department Secretary Pu H. Lalengmawia'n kaihruaii, ZMC Director Prof. L. Fimate hnen atangin Annual Report ngaihthlak a ni a. Sub Dean Dr. Haren Baruah leh Academic Officer Dr. Benjamin Lalrinpuia ten zirlai tithate chawimawina hun an kaihruai a: ZMC a MBBS zirlai first batch exam a topper Lalrempuii Hmar leh subject zawng zawnga honour hmutu Vanlalchhuapuia te hnenah lawmman pek a ni. Hemi bakah hian faculty zingah Medical paper thahnem tak a publish avangin Dr. C. Vanlalhlua, Associate Professor, Dept. of General Surgery hnenah chawimawina hlan a ni bawk.

Foundation lawmna hunah hian khuallian hian PANACEA, ZMC Annual Magazine chu tlangzarh nghal in khualzahawm chuan Newsletter a tlangzarh bawk. ZMC Registrar Dr. Jane R. Ralte chuan lawmthu sawiin hun a khar a ni.

Chief Minister in a hawn tak Para-clinical building hi 2<sup>nd</sup> year a zir tur, department hrang hrang -

Community Medicine, Pharmacology, Pathology, Microbiology te awmna tur a ni.

Zoram Medical College hi State leh sawrkar laipui tangkawpa din a ni a. CSS "Establishment of Medical College attached with existing district/referral hospitals" hnuai a din niin, a project cost hi Rs. 189 crores a ni a, 90:10 funding a ni. Hemi scheme hnuai a hian first phase-ah India ram hmun hrang hranga hospital dang 58 rualin State Referral Hospital, Falkawn chu thlan tel ve a ni. Medical College din phalsak tura dilna, application hi Medical Council of India (MCI) ah tum li (4) thehluh a ni a. College hmunhma leh thawktute MCI danin a phut angte an awm em tih endik hna hi vawi 3 MCI lamin an rawn neih hnuah, 2018-19 academic session tan student 100 admit phalna chu 25<sup>th</sup> May, 2018 khan pek a ni. August hi 7, 2018 khan a hawnna program neih a ni a. He hawnna champha-ah hian kumtin Founding Day hman tura ruahman a ni. Hawn a nih hnuin a tuk August ni 8 ah orientation class tan nghal a ni a. Medical College din phalna (LOP - Letter of Permission) hi final year thleng chu kum tin a thara dil/ renew a ngai a. Kumin May ni 3 khan college hi Medical Council of India chuan enfiah in May ni 25 khan First Renewal Permission

chu a pe a. Hephalna bawhzui hian MBBS second batch zirlai 100 la tura ruahmann siam nghal niin, admission buaipui mek a ni a. Tun dinhmunah zirlai 70 chuang admit an ni tawh a ni.

Semester exam hmasa ber chu nikum December ni 11-19 chhung khan buatsaih niin, kumin May ni 20-30 chhung khan pre-professional university exam neih leh a ni a, June ni 25 atanga July ni 12 chhung khan university exam buatsaih in hetah hian zirlai 99 exam atangin 77 chu an pass a. Zirlai 13 in Biochemistry ah honour an hmu a, zirlai 7 in Anatomy ah honour hmu in Physiology ah honour a pass pakhat a awm bawk a ni.

ZMC a thawktute hi Direct Recruitment a lak leh Mizoram sawrkar department atanga Deputation leh Transfer a thawk an awm a. Tun dinhmunah Faculty member 72 leh Resident 43 awmin, anni bakah hian staff hrang hrang 422 an awm a ni.

College leh teaching hospital tichangtlung turin hna thawh chhunzawm zel a ni bawk a. Academic Block thar tana building sak hna tunah hian thawh mek niin, hospital building leh staff quarter tichangtlun hna thawh mek a ni a, mi 72 lenna tur mipa leh hmeichhe tan hostel sak mek a ni bawk. ■

## KEIMAHNI

- July ni 30, 2019 (Thawhlehni) zing dar 10:00 khan Health Services Directorate Conference Hall-ah World Hepatitis Day 2019 denchhenin Dr. F. Lallianhlira, Principal Director, H&FW Department chuan Hepatitis natna enkawltu Programme, *National Viral Hepatitis Control Programme* a launch a. Hemirual hian ni 2 awh tur Training buatsaih nghal a ni bawk.
- August ni 6, 2019 khan Kawthalo hridanna Rota virus Vaccine chu Routine Immunisation Scheduled a tel thar tur chu Dr. F. Lallianhlira, Principal Director, H&FW in a hawng. Principal Director chuan Mizoramah hian hridanna hrang hrang chi 9 kalpui thin chu 10 na atan hridanna thar Rota virus Vaccine (kawthalo hridanna) a vawikhat nan pekna hun hman a ni hi lawmawm a tih thu a sawi. Naupang damlo 40% hi Rota virus vang a nih avangin India ram State 11-ah hridanna kalpui tawh a ni a, Mizoram hi 12-na atan kalpui kan kalpui ve tan ta a ni a ti. Khawvel pum puiah naupang kum 5 hnuailem 10% thihna hi kawthalo vang niin India ramah kumtin naupang nuai 1 thi an awm thin. Kum 2018 khan Mizoramah naupang kawthalo vanga thi 1 chiah a awm a, ei leh in tha bakah kut silfai zirtirna kan kalpui hian sawtna tam tak a thlen a ni a ti bawk. Nu in naute thla 6 chhung hnute tui pek hian natna tam tak zawkin a thlawnin an dawng chhunzawm chho zel dawn a ni.

*National Viral Hepatitis Control Programme* thar hian kum 2030-ah chuan Hepatitis natna hrang hrangte umbo a nih theih nan theihtawpin hma a la chho tan dawn a. Hepatitis natna hrang hrang avanga thihna te tih tlema pumpelh chhoh a nih theih nan tunah hian hma thar lak chho tan mek a ni. Kuminah hian Hepatitis venna hi sawrkar laipui duhdan angin High Risk Group, damlo enkawltu hrang hrang, damlote nena inngheng hnai kan tih, Health Care Workers ten an dawng hmasa dawn a. Nakkum atangin mipui nawlpuite pawhin awlsam

Iakah a ven thu sawiin hridanna lak avang hian zenghri, tetanus te hi hmuh tur a awm tawh lo a ni, Rotavirus lak hi a him a ni a ti bawk.

■ August ni 8, 2019 khan Health & Family Welfare Minister Dr. R.Lalthangliana'n Govt. Chaltlang Higher Secondary School-ah kum 2019 atana a thawh hnihna atan Naupang kum 1 atanga kum 19 inkarte tana rulhut damdawi a rual a ei runpui National Deworming Day a hawng. National Health Mission Director Dr. Eric Zomawia'n hawnna hi a kaihhruain a, Dr. Lily Chhakchhuak, SPO (RCH) chuan National Deworming Day hman tan dan leh a pawimawhna zirlai naupang zingah sawifiahna hun a hmang bawk a ni.

■ August ni 13, 2019 (Thawhlehni) chawhnu dar 3:00 khan Dr.F.Lallianhlira, Principal Director, Health & Family Welfare Office Chamber-ah Comprehensive National Nutrition Survey Mizoram 2016 findings te zirhona Dr. F. Lallianhlira, Principal Director hova neih a ni.

He zir chianna atanga a lan dan chuan Mizoram pumah kum 5 hnuai lam mahni rihna tur phak zo lo 11.3% an awm a, kum 5 leh kum 9 inkarah mahni san zawng tur phak lo 23.6% awmin kum 5 hnuai lamah 28% an awm bawk. kum 19 inkarah natna benvawn thlen thei thisena cholesterol leh triglyceride level uluk takin a zir chiang bawk a. Heng thilte hian natna benvawn naupangin a vei chhoh theih dan a lantir bawk a ni. Hetiang dinhmun atanga Mizoram tana hmalakna turte sawihona neih a ni a, heng thil hrang hrang tlakchhamna leh natna benvawn ven nana hmalak dan turte ngun leh uluk takin an sawiho a ni. He survey hi India ram state 30-ah a vawi khat nana neih zawh tawh niin he thil hi ei leh in leh chaw tha tlakchhamna chungchanga study neih that ber pawl a ni.

■ August ni 1, 2019 atang khan Pi R. Zochhuanmawii, MSS chuan Principal Chief Conservator of Forest, Tuikuahlang Aizawl atangin, Directorate of Health Services, Dinhar Aizawl ah Superintendent in a rawn awma, Health Services Directorate Officers leh Staff te kan lawm hle.
